Directors Corner

Dear Families,

We are getting closer to spring each day! Kindergarten registration is underway and screening appointments will be scheduled soon. I am sure you will have some questions about your child's readiness skills.

The Pre-K, Mixed Age and Enrichment teachers will be spending the month assessing the children for our second progress reports. During your conference time, teachers will specifically discuss your child's readiness skills and have some handouts available for FUN ways that you can assist your child in developing some important skills before next school year! Please mark your calendars now for Wednesday, March 27th, there will be no school for the children. Conferences will take place during daytime and evening hours. Please be on the lookout for the Sign-Up Genius link which will be emailed on March 15th.

Warmly,

Kindergarten Information Night
