Jack and Jill Pre-School's Monthly Newsletter

Mrs. Lay's Corner

Dear Families,

Spring has sprung! We are well on our way to more time outside on our playground with hula-hoops, chalk, and scooters!

Please pay attention to your children's foot wear in the coming weeks. There is something about warm weather that increases the desire to run, jump and skip! If your child has proper foot wear (sneakers, closed toed sandals) they will be safer and less apt to trip and fall.

Please do not send your child to school in flip flops or shoes with any type of heel. Some children prefer not to wear open toed shoes as the mulch does impede their freedom.

Thank you for your careful consideration! We are all looking forward to getting outside and having lots of fun!

Warmly,
Katrina

Raffle Calendar Kick Off

Today we kicked off our largest fundraiser of the year! Raffle calendars were sent home this week. Please reach out with any questions.

We are so appreciative of all the support for Jack and Jill now and always. We would not be able to continue to provide quality preschool without the continued support.

Picture Day

LifeTouch will be here on Wednesday, April 7th. On or before picture day, please send your child with the form that was sent home. If you are in need of another form please reach out.

Families in the 3's class who signed up will receive an email on Tuesday.

The best part of LifeTouch is that no money exchanges hands until you see the finished product. You will receive a folder with your child photographs and choose what you like and want to keep! You only pay for what you want! There is lots of flexibility, because as you know, kids don't always cooperate when we want them to.

Warm Weather Reminders

- Please continue to dress your children in layers, as temperatures vary in the Spring.
- A reminder that it is your responsibility to apply sunscreen to your child before school
- There has been a lot of growth, so please check their extra clothes bags and make any necessary adjustments
