## **Directors Corner**

Dear Families,

It's hard to believe that the school year is already coming to a close! We've had a wonderful, fun-filled year together and made so many special memories along the way.

This will be our final newsletter of the school year, so please take a few moments to read through it carefully to ensure you don't miss any important end-of-year information.

We are looking forward to all the exciting activities coming up in these final weeks! Each classroom is also home to a butterfly garden, where students will get to witness the amazing transformation of caterpillars into butterflies. This is always a favorite spring activity!

As educators, this is a rewarding time of year. It's incredible to see how much the children have grown. We're excited to be able to simply enjoy these last precious weeks with them.

Warmly,  
Katrina
