

April 2024

Directors Corner

Dear Families,

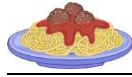

Spring has sprung! Before you know it we will be able to spend more time on our playground with hula hoops, scooters, bubbles and more!

Please pay attention to your children's foot wear in the coming weeks. There is something about warm weather that increases the desire to run, jump and skip! If your child has proper foot wear (sneakers, closed toed sandals) they will be safer and less apt to trip and fall.

We ask that you do not send your child to school in flip flops, open toed shoes or shoes with any type of heel.

Thank you for your careful consideration! We are all looking forward to getting outside and having lots of fun! ☺

Warmly,
Katrina

A Show and Dinner to Go Wrap Up

Thank you to all of those who baked, donated, volunteered and attended our event!

We raised over \$2,00.00 and had a fun time doing it!

A big thank you to Stacy Lake for providing the entertainment!

A special thank you to Melinda Weeman who spent countless hours behind the scenes coordinating everything that was necessary to make this a successful event. A thank you to, Ashley Marsters, Maria Vamvakis, Lindsay Lee, Kara Lehane and Lisa Layton for all their hard work making the to-go dinners!

Picture Day

Lifetouch will be here on Wednesday, April 3rd and Thursday, April 4th. Please be sure to send back your child's picture form on or before picture day. If you are in need of another form please reach out. *If you want siblings photographed together

please let me know before picture day.

The best part of Lifetouch is that no money exchanges hands until you see the finished product. You will receive a printout with your child's photographs and choose what you like and want to order! You only pay for what you want! There is lots of flexibility, because as you know, kids don't always cooperate when we want them to. Please note there is no make-up picture day.
