Jack and Jill Preschool Summer Program Overview

Jack and Jill Preschool Summer Program is intended for children ages 3 to 6, including those that are about to enter first grade.

We operate in a mixed age environment, giving children the opportunity to work side by side with kids at different development levels and gain new perspectives through the experience.

Kindergarten Readiness week is specifically designed for children entering Kindergarten in the Fall of 2026. It will serve as both a review of pre-school topics, as well as “insider” training for Kindergarten.

For more detailed information about us, including our philosophy and approach, visit our website at www.jackandjillattleboro.com.
